

Peer2Peer Network

Dear Friend/Colleague

The Peer2Peer Network could be a good way of staying in touch, exchanging good practice and learning as well as exploring opportunities for joint working. Please find below information on the Peer2Peer Network and how to register.

Best wishes

Elina

**Peer Support Development Manager

Peer2Peer Network

Peer Support works best when there's a spirit of true collaboration and partnership.

Peer2Peer Network Aims

- Facilitate cooperation between service user groups, voluntary organisations, other statutory service providers and commissioners
- Build on each other's expertise & experience on peer support
- Develop and support innovative, ethical and effective peer support practice
- Share information, resources, advice and good practice
- Build valuable strong partnerships with key stakeholders locally and nationally

Membership

As a member of P2P Network you will have the opportunity to:

- Access networking and partnership opportunities with a range of stakeholders, including user led groups, NHS, statutory bodies, professionals, academics
- Access expertise on peer support in the community, forensics, acute etc
- Access to peer support research
- Receive information on peer support initiatives around the country, developmental work and good practice

Via

- Email communications and information briefs/bulletins
- Conferences and stakeholder events
- Webinars on topics relevant to peer support

How It Works

- The Peer2Peer Network is anchored by the Peer2Peer Group, a user led Steering Group with peer support expertise nationally, regionally and locally.
- The Peer2Peer Network is dynamic and will be evolving in time to stay relevant and useful to its members.
- The Peer2Peer Group’s remit is peer support in mental health with a cross disability dimension
