

RECOVERY-FOCUSED CONFERENCE

**Engagement in Life: Promoting Wellbeing and Mental Health**  
6<sup>th</sup> September 2013

This recovery-focused one-day event brings together key speakers, healthcare professionals and service users from around the country. We are calling for papers that demonstrate innovative research, clinical practice, training, and professional development within this exciting new area of mental healthcare.

Conference Chair  
Professor Sue Clarke

The Conference is arranged in partnership between Bournemouth University and The University Department of Mental Health, Dorset HealthCare University NHS Foundation Trust. The University is situated on the south coast in the beautiful county of Dorset with good transport links from London. Accommodation is available locally. There will be a cheese & wine welcome on Thursday, 5th September from 6.00pm
